## Product Datasheet

### Anti-His tag (C-term) [3D5], Rabbit IgG, kappa, Monoclonal ABA-AB00101-23.0

|                            |                                                            |
|----------------------------|------------------------------------------------------------|
| Article Name               | Anti-His tag (C-term) [3D5], Rabbit IgG, kappa, Monoclonal |
| Biozol Catalog Number      | ABA-AB00101-23.0                                           |
| Supplier Catalog Number    | Ab00101-23.0                                               |
| Alternative Catalog Number | ABA-AB00101-23.0                                           |
| Manufacturer               | Absolute Antibody                                          |
| Host                       | Rabbit                                                     |
| Category                   | Antikörper                                                 |
| Application                | ELISA, FACS, FC, WB                                        |
| Species Reactivity         | All                                                        |
| Product Description        | Purified his tagged Fab fragment....                       |
| Clonality                  | Monoclonal                                                 |
| Clone Designation          | [3D5]                                                      |
| Isotype                    | IgG                                                        |
| UniProt                    | <a href="#">n/a</a>                                        |
| Buffer                     | PBS with 0.02% Proclin 300.                                |
| Source                     | Mouse                                                      |
| Target                     | His tag (C-term)                                           |
| Antibody Type              | Recombinant Antibody                                       |
