## Product Datasheet

### Anti-Rhodopsin [Rho 1D4], Rabbit IgG, kappa, Monoclonal ABA-AB00337-23.0

|                            |                                                         |
|----------------------------|---------------------------------------------------------|
| Article Name               | Anti-Rhodopsin [Rho 1D4], Rabbit IgG, kappa, Monoclonal |
| Biozol Catalog Number      | ABA-AB00337-23.0                                        |
| Supplier Catalog Number    | Ab00337-23.0                                            |
| Alternative Catalog Number | ABA-AB00337-23.0                                        |
| Manufacturer               | Absolute Antibody                                       |
| Host                       | Rabbit                                                  |
| Category                   | Antikörper                                              |
| Application                | ELISA, IF, IHC, IP, RIA, WB                             |
| Species Reactivity         | Amphibian, Bovine, Human, Mouse, Rat, Zebrafish         |
| Product Description        | Bleached bovine rod outer segment (ROS)....             |
| Clonality                  | Monoclonal                                              |
| Clone Designation          | [Rho 1D4]                                               |
| Isotype                    | IgG                                                     |
| UniProt                    | <a href="#">P08100</a>                                  |
| Buffer                     | PBS with 0.02% Proclin 300.                             |
| Source                     | Mouse                                                   |
| Target                     | Rhodopsin                                               |
| Antibody Type              | Recombinant Antibody                                    |
