| Immunogen                  | Purified Mouse IgG, whole molecule                                                                                                                                                                                                                  |
| Conjugation                | hrp                                                                                                                                                                                                                                                 |
| Product Description        | Goat anti-Mouse IgG (H&L), F(ab)2 fragment, HRP conjugated, min. cross-reactivity to bovine, goat, human, rabbit, or rat IgG is a secondary antibody conjugated to HRP, which binds to mouse IgG (H&L), F(ab)2 Fragment in immunological assays.... |
| Clonality                  | Polyclonal                                                                                                                                                                                                                                          |
| Purity                     | Immunogen affinity purified goat IgG.                                                                                                                                                                                                               |
| Form                       | Lyophilized                                                                                                                                                                                                                                         |

|                    |                                                                                                                                                |
|--------------------|------------------------------------------------------------------------------------------------------------------------------------------------|
| Antibody Type      | Polyclonal Antibody                                                                                                                            |
| Application Dilute | 1 : 20-1 : 2000 (Flow cyt), (IL)                                                                                                               |
| Application Notes  | For reconstitution add 0,55 ml of sterile water,Let it stand 30 minutes at room temperature to dissolve, Prepare fresh working dilutions daily |
